GET IN TOUCH WITH US BY OUR EMBROIDERY YARN

We stand in the field of manufacturing of Embroidery Thread since last 3 Decades, Considering The "Q" Factor as our primary objective. We ensure both Quality & Quantity at the same time.

Our Embroidery Thread is an extremely soft, flexible & versatile thread. It produces a stunning finish ideal for all Embroidery & Embellishment Style.

Our Embroidery Thread is prepared using best quality raw material which includes supreme quality of Twisting & Dyeing.

Our Embroidery Thread runs impressively at High Speed on all latest Embroidery Machines. Our Embroidery Thread ensures minimal loop formation and minimize wear & tear of moving parts such as needles & Cutters.

WASHING INSTRUCTIONS

It is advisable to wash all Embroidered Articles with mild detergents.

Rinse thoroughly after washing. Wet or damp embroidered articles should never be left together in Piles or stacks.

No bleaching agent or optical whitener should be used as this can cause discolourisation.

Ironing should be done on reverse side or sandwiched between two pieces of cloth.

 We strongly recommend that before using our products in full scale production, one should test the products under their operating conditions to determine the suitability of our products for his own purpose. As the circumstances under which our products are stored, handled and used, are beyond our control we cannot assume any responsibility for their use by the customer. In spite of the aforementioned specific instruction, if the customer uses our products in full scale production without prior tests, sustains & proves to us he has sustained loss due to deficiency in quality of goods supplied, our liability is limited to the value based on purchase price of the quantity of our quality of the goods supplied, our liability is limited to the value based on purchase price of the quantity of our goods actually used. Submission of Claim does not absolve the customer of the obligation to pay the amount due.

CAUTION : Extreme attention is paid while reproducing each shade, however it is strongly recommended that same lot of yarn to be used in one fabric to ensure against any minute difference particularly in case of symmetrical Embroidery.

FOR BULK ORDERS:

1. Customised Shades can be Prepared.
2. Packaging can be Tailor-made as per customer requirement.
